

public

```
graph TD; public[public] --- styles[styles]; public --- scripts[scripts]; public --- lib[lib]; public --- assets[assets];
```

The diagram illustrates a file system structure. A light blue rectangle with a dashed border represents the 'public' directory. Inside this rectangle, at the top, is the label 'public'. Below this label is a solid black rectangular frame. Inside this frame, there are four elements: three light blue boxes with black borders labeled 'styles', 'scripts', and 'lib', and the text 'assets' to the right of the 'lib' box.
