

public

The diagram shows a 'public' directory, represented by a light blue rounded rectangle with a dashed border. Inside this directory is a sub-directory, represented by a solid black border. Within this sub-directory are four items: 'styles', 'lib', 'js', and 'assets'. 'styles', 'lib', and 'js' are each contained within a smaller blue rectangle with a black border, while 'assets' is just text. All items are arranged horizontally.
