

The diagram illustrates a hierarchical structure for assets. It features a large, light blue rectangle with a dashed border, labeled 'assets' at the top. Inside this rectangle is a smaller, solid light blue rectangle with a thick black border. This inner rectangle contains two elements: a 'pages' box and 'styles' text. The 'pages' box is a smaller, solid blue rectangle with a black border, positioned on the left side of the inner rectangle. The 'styles' text is located to the right of the 'pages' box, also within the inner rectangle.
