

public

```
graph LR; public[public] --- styles[styles]; public --- scripts[scripts]; public --- lib[lib]; public --- assets[assets];
```

The diagram illustrates a file system structure. A large light blue rectangle with a dashed border represents the 'public' directory. Inside this rectangle, at the top, is the word 'public'. Below it is a smaller light blue rectangle with a solid dark border. Inside this inner rectangle are four items: 'styles', 'scripts', 'lib', and 'assets'. 'styles', 'scripts', and 'lib' are each enclosed in a small blue box with a dark border, while 'assets' is just text. All items are arranged horizontally.
