

public

The diagram illustrates a file system structure. A large light blue rectangle with a dashed border represents the 'public' directory. Inside this rectangle, at the top center, is the text 'public'. Below this text is a solid black rectangular frame. Inside this frame, there are five light blue rectangular boxes with black borders, arranged horizontally. The first four boxes are labeled 'styles', 'scripts', 'lib', and 'js' from left to right. The fifth box is labeled 'assets' and is slightly larger than the others, occupying the remaining space on the right.
